## WRITING

I approve the Green Movement because ecology on this planet is so important and this very sad. If we continue make dirty in the future we shall need to clean all planet or people will die from a lot of illnesses and ecology. If each person will do Earth Hour our planet will be clean little more. With this we can keep electricity, don't poison Earth, and when this hour begin we can refuse gadgets and play with friends, talk with parents that help get happy mood. I can't understand people who not approve the Green Movement or they like live in dirty planet with tons of trash? I don't like this and I want help Earth.
