### WRITING

Don't forget your parents"  
 Everyone of us ~~becomes~~ grows up once. It's the time when your personality ~~changes~~ and some questions appear in your head, so I decided to write a story-answer about one of them.

It's 21<sup>st</sup> century. Everyone has a mobile phone, so Ann makes a present for her mother Jane, who ~~was~~ is an old granny. She loves daughter a lot. Ann lives faraway and sometimes talks to mother, but

woman has a lot of stuff, so they don't talk for long.

Once woman hears little girl says mom:

✓ — I would love you to be with me forever.

That moment Ann realises that Jane may disappear once, so she makes a promise she will be talking to mother for longer. ~~Jane was re~~ Jane becomes very happy.

I'd like ~~to~~ everyone spend more time with parents, because they should be grateful to them.
