### WRITING

Once in a little German country there was a boy called Gustav. He was born in a poor family so he had to work hard for just buy something to eat as his father ~~is~~ died when Gustav was two.

The little boy was working at a factory. He printed newspapers and magazines. One day his boss came up to him and said that couldn't work there anymore. Gustav was in despair and didn't know what to

do. On his way home he met his schoolmate who was from rich family. The little boy told him his problem and the rich boy said that he knew how to help Gustav. The rich boy's father needed a good printer as he was going to open his own new newspaper. Plus Gustav sometimes read what he had printed and learned a lot of useful information. The rich boy's father liked Gustav and from now on he had a new job. The time past and the little boy grow into a strong man who was the main writer in the newspaper. The man who was the owner of his last job lost all his money and he starved to death.
